- E. SESSION SUMMARY

The target personality Warlord Mohamed Farrah Aidid is currently located as marked on the attached map. The political leader is wearing red and is not traveling alone. There are men traveling on land with him and he may be moving in a southern direction. He is short of some supplies. This man is furious about certain issues, is in danger, and although he is a fighter, is now feeling tired. He is uncomfortable with staying in any one location for very long and is therefore, on the move.
